

Jumbo & No 1 Yellow Apricot

Showy, large (60-100 pcs/kg) premium golden yellow apricots from the orchards of Malatya. A favorite of luxury dried fruit aisles and upper-segment export.

Jumbo & No 1 Yellow Apricot is a premium selection presenting the two large calibres of the Malatya apricot sizing system (Jumbo and No 1) together. A kilogram typically contains between 60 and 100 fruits, placing it among the market's top calibre classes.

General And Logistics Details

Property / Field	Description
Origin Region & Basin	Malatya — Battalgazi & Akçadağ Select Orchards

Main Areas Of Use

- › Luxury Dried Fruit & Packaging
- › International Export
- › Gourmet & Gift Food

The calibre (pcs/kg) and nutritional values in the table are based on Malatya apricot standards, industry practice and supply chain experience; exact values are confirmed by lot analysis. For serious wholesale purchase enquiries we consider your sample request; the sample fee charged is calculated over the retail reference unit price, and the courier/freight cost belongs to the buyer.
